giving Day. The Jayhawkers use a spread formation somewhat similar to the one Drake tried Saturday, and with Lindsey passing the ball they have seldom failed to gain with it.

Old Horseshoe Saves Kansas Aggies Again.

The Kansas Aggies had their horseshoe with them again Saturday. Just as the week before Lansing's failure to kick a goal after a touchdown gave the Manhattanites a victory, so Saturday did the failure of Graham Johnson to toe the ball over in the final period, give the Clevenger-Schultz men another 1-point victory over the Oklahoma Sooners, 14-13. The Aggies have a good team, the best that the school has turned out since it entered the Missouri Valley Conference. The officials of the game said Missouri

was three touchdowns better than the Aggies, but the one factor in football that causes the downfall of many a mighty team beat Missouri—bad luck. That the Aggies are getting more than their share of the breaks was proved in the Missouri and Oklahoma games. One-point victories are victories—but they do not prove superiority.

Nebraska Still Leads The Conference Race.

The Nebraska Cornhuskers, despite their defeat by Kansas Saturday, are still at the top of the Conference in figures. Nebraska has won three and lost one conference game. Missouri is second with two won, one lost and one tied. The standing of the teams follows:

	Won	Lost	Tied
Nebraska	3	1	0
Missouri	2	1	1
Ames	1	1	1
Kansas	1	1	1
Kansas Aggies	1	1	1
Drake	1	2	0
Washington	0	2	0

Thus, Missouri's chances of claiming high honors depend on the Turkey Day battle. If the Tigers defeat Kansas they will be tied with Nebraska for the lead with three games won and one lost, but such a victory would leave little doubt in the mind of the unprejudiced judge that the Tigers are the class of the Valley. No team is going to have a clear title to the championship and it will just be a matter of which team has shown the best. Missouri, according to all newspaper men who saw the game and to the officials of the game, is clearly superior to the Kansas Aggies, and their defeat of the Tigers would be swept aside by later results.

MUST PAY FOR K. U.-M. U. TICKETS

Those Unpaid for Tomorrow Will Be Placed on Sale Again.

All tickets for the Kansas-Missouri game which have been reserved at the director's office in Rothwell Gymnasium must be paid for by 6 o'clock tomorrow night to be retained. All reservations which remain unpaid for at that time will be cancelled and the tickets offered for sale at 10 o'clock Wednesday morning.

C. H. S. TO KIRKSVILLE FRIDAY

Injury May Cause Loss of Rutledge, Star Halfback.

There is a possibility that "Pep" Rutledge, star halfback of the Columbia High School football team, will not be in the line-up when the Kewpies meet the strong Kirksville High eleven at Kirksville Friday afternoon. Rutledge sprained a ligament in his leg in the Columbia-University High game last Friday and was not out for practice today.

The Kirksville team is unusually fast this year and a victory for Columbia will help make the local season a success. Coach Schooler will take twenty men on the trip in an attempt to bring home the long end of the score.

Basketball at C. H. S. Soon.

Basketball practice for the Columbia High School Kewpies will begin next week with good prospects for a fast quintet. Captain Rutledge, Wayland and Robert, members of last year's team, are the men around whom Coach Schooler hopes to build a winning combination. No schedule has been announced, although several games have been tentatively arranged.

Alfred H. Nolle of the modern language department was re-elected president of the Missouri Society of Teachers of Modern Language at a meeting of the organization in St. Louis Thursday, Friday and Saturday. The society reorganized under a new constitution and affiliated with the Association of Modern Foreign Language teachers of the Central West and South.

AMES WINS M. U. CROSS-COUNTRY

Kansas and Missouri Place Second and Third; 3 Teams Compete.

Ames won the Missouri Valley Conference cross-country run Saturday by winning first, second, fourth, fifth and sixth places. The race was held at 11 o'clock in the morning before the Ames-Iowa football game at Ames. Kansas was second and Missouri third, with three teams competing.

Husted and Hawthorne, both of Ames, finished first and second. Statler of Kansas University, the only contestant outside of the Ames team to place, finished third. The winner's time for the five miles was 27 minutes 44 seconds.

Captain Symond of the Missouri team sprained his ankle within a hundred yards of the start and was forced to drop out of the race. The other Missouri men: Hall, Banks, Brown, McGregor and Flint, finished in the order named and were all within 400 yards of the winner at the finish. The race was run over a frozen course.

DRAINAGE CONDITIONS STUDIED

Behavior of Surface Water Is Shown By Experiments Near Gymnasium.

The department of soils is conducting experiments on the land south of Rothwell Gymnasium to show the amount of water penetrating the soil and the amount running off under various systems of soil management.

These are the first experiments of this kind to be made. They will show the quantity of water collected by the eroded soil and the quantity of water that runs off. Large vats are arranged to catch the water. Blocks of soil are being inclosed in concrete, so that the amount of water passing through the soil may be measured.

"Preliminary experiments have shown great differences in the quantities of water going into the soil under different conditions of soil management," said M. F. Miller, professor of soils.

U. H. S. MEETS M. H. S. THURSDAY

Rollins Field To Be Scene of Moberly-Columbia Battle.

The University High School football team will play the Moberly High School team Thursday afternoon on Rollins Field. The local team is predicting a victory over the aggregation from Moberly.

According to "dope" the teams are about evenly matched. Columbia High School defeated Moberly 20 to 0, and last Friday defeated the University "prep" boys 15 to 0.

68 IN MISSOURI H. S. LEAGUE

Seventeen New Schools Enter State Debating Conference.

Sixty-six Missouri high schools are now members of the Missouri High School League, a society formed by the University Extension Division in co-operation with the Missouri Library Commission at Jefferson City. This is an increase of about thirty members over the first year's enrollment, in 1914, and seventeen members over last year's. This year's membership campaign closed October 31.

The high schools of Missouri are divided into four sections. Each section is placed under a director and debates on a subject chosen by the league. By intersectional debates, the high schools are eliminated until the two schools remaining debate here on High School Day. The subject for this year's debates is: "Resolved, that the Federal Government Should Own and Operate the Railroads of the United States." Material and references are being sent out by the Extension Division.

The Poplar Bluff High School won the state championship last year, and J. Vernon Frank of Poplar Bluff the individual championship, a \$125 scholarship to the University.

ATHLETICS BEAT SUMNER 34 TO 6

Binga Dismond, Sprinter, on Chicago Team to Play Here Sunday.

The Columbia Athletics chalked up their sixth straight victory of the season yesterday when they piled up a score of 34 to 6 against the Sumner Athletics of St. Louis. The visitors got away for one touchdown when they recovered a fumble.

Although the high school visitors were greatly outweighed, they put up a good fight and showed good training. Their lone touchdown was the first made against the local team this season. "Boodler" Brown was best at line plunging and goal kicking, while Tibbs made three touchdowns.

Next Sunday a team from Chicago, the only aggregation that ever defeated the Athletics, will be here with Binga Dismond, the noted negro sprinter, a member. Last year Chicago won by a score of 6 to 0.

DYNAMITING CASE COMES UP

Supreme Court Grants Motion to Advance Arguments in Horn Trial.

By United Press
WASHINGTON, Nov. 20.—The Supreme Court today granted a motion to advance arguments in the case of Werner Horn, alleged dynamiter and German army officer. Horn is accused of attempting to blow up the Canadian International Bridge. He asked a writ of habeas corpus, claiming that the offense charged against him was of a military character and was not to be tried in an ordinary court. The court assigned the case for argument January 8.

Harvester Trust Suit February 26.

By United Press
WASHINGTON, Nov. 20.—The United States Supreme Court this afternoon assigned for re-organization February 26 the government suit to dissolve the Harvester Trust. The date set was more than two months later than that asked by the government attorneys, who requested a postponement until December 11.

MURDER SUSPECTS RELEASED

Parents Held For Daughter's Death Freed on Expert's Evidence.

By United Press
PONTIAC, Ill., Nov. 20.—The states attorney late this afternoon ordered the release of Jacob Diemer, his wife and daughter Magdaline, in connection with the death of his daughter, Christine. Christine's body was found floating in the Vermillion River November 8.

Both the states attorney and the coroner accepted the suicide theory following the finding of a Chicago specialist who testified that the girl's lungs were filled with water.
